

To All Darts Ontario Members:

It is with great regret that the Darts Ontario Executive is announcing that we have decided to cancel the First (November) Zone Shoot for all Zones. This decision has not been made lightly and the feedback and support of your Zone Directors has been greatly appreciated. We are keeping the health, safety, and guidelines in mind as we continue to monitor the current status of the pandemic.

While I know many of us are looking forward to the time when we can play again, please know that we are working to ensure the most positive and safe environment for everyone involved.

We will continue to stay closely tied to government regulations and your Zone Directors regarding the additional three (3) Zone Shoots that are currently still scheduled to take place in 2021.

Sincerely,

Your Darts Ontario Executive
